## Letter from the National Director

Dear Friend,

Thank you for your interest in the Children's Relief Fund (CRF).

CRF is a U.S. tax-exempt charitable and humanitarian organization dedicated to providing partial education scholarships to needy elementary and high school children in Lebanon. In 2010, the fund extended its assistance to children in Palestine and in 2012, it began supporting children of Syrian refugees in Lebanon.

CRF is one of the many charities of the Antiochian Orthodox Christian Archdiocese of North America.

Since its inception in 1983, the Children's Relief Fund, through your generosity, has provided education scholarships to several thousand children. In 2016, the CRF assisted 262 students in Lebanon (including 28 Syrian refugees) and 77 in Palestine.

One hundred percent (100%) of your contribution (a minimum of \$400/year) goes to the sponsored child. When we receive your contribution, we will send you a photo and background information on the child and his/her family on our waiting list.

For those of you who are already sponsoring a child/children, we offer our most profound thanks and gratitude. We hope that new sponsors join this humanitarian effort to lift the burden off these needy children.

As a Christian organization, we know our success depends on our humble obedience to Jesus Christ, who has called "Whoever receives one of these little children in My Name, receives me." — Mark (9:36)

Thank you and God bless,

A handwritten signature in cursive script that reads 'Fr. Isaac Crow'.
